SPONSORSHIP OPPORTUNITIES

2025 Girls Who Code Clubs and Summer Camps

Educate Maine's Project>Login program seeks sponsors for Girls Who Code clubs and summer camps. As the Community Partner for Girls Who Code in Maine, we are setting out to make this year's experience more equitable and engaging by creating an overnight opportunity. Your contribution is more than funding—it's an investment in Maine's future innovators, coders, and problem-solvers. Help us create a life-changing experience for our state's young tech enthusiasts by making the 2025 overnight Girls Who Code camps a reality.

For more information, contact: Angela Oechslie, Program Director at Angela@educatemaine.org or **207.217.0096**.
